→ Bev Greenberg at Tuskegee

Bev Greenberg recently made her third trip to visit The Tuskegee International School. On her trip she "worked on getting the school supplies sorted and in boxes for each class and grade level.

Inventory was taken and recorded to insure accountability and help us know when consumables need replenishing. Children are using

the supplies in the Nursery-KG, Class one, Class two, French class, and Junior High School." The trip was a great success and we will keep you updated with information about the impact that your donations have made to the school! If you are interested in visiting The Tuskegee International School [please let us know](#).

→ TBF Forms Partnership with 6 Friends!

The 6 Friends mission is to establish enduring relationships across distance and diversity and they accomplish this by connecting youth from the 6 populated continents in a Virtual Village where they create lasting relationships by learning more about one another and working together. The Tuskegee School recently joined the 6 Friends network aided by the donation of 4 computers from friends of The Building Fund. Already the students of Tuskegee have been able to connect with students of The Francis W. Parker School of Chicago (where our Tuskegee Trot Fundraiser was held). We look forward to all the opportunities that this partnership will be able to provide for the Tuskegee School. To learn more about 6 Friends please visit their [website](#)!
