Welcome to The Building Fund Quarterly News

Summer is well underway and we have just returned from an amazing trip to visit the Tuskegee International School and the Young Apostles International School in Ghana. There are lots of pictures to be seen and lots of news from both of the schools to share. We hope that you will continue to visit our website over the next few weeks as we add pictures and videos of our students!

New building projects are beginning at both schools and your help to fund these projects is always appreciated. Donations of all sizes help us do our work better and we hope that you will consider making a [donation](#) this season.

Best,
Jessyca Dudley, Founder
